PLAN OPTIONS

5. Promotional Plans - Order must be received by 30th April 2018. Conditions apply.
Business Ethernet Promotional Plan Conditions:

- OntheNet must receive a completed form by 30th April 2018.
- The OntheNet Terms and Conditions available at www.onthenet.com.au are also applicable.
- Promotional plans are only available for locations that connect directly to an On-Net exchange and may not be available to all locations due to technical limitations eg. distance between the customer site and exchange or lack of available copper pairs.

- Note:**
- A Distance Surcharge of \$130/month is applicable if the cable length between the exchange and the site is greater than 2.6Km. The Distance Surcharge will be added to the Monthly Fee in 6. Distance Surcharge does not apply to promotional plans or other plans provided by quotation.
 - The bandwidth quoted by OntheNet is a maximum theoretical speed. OntheNet does not guarantee that the maximum speed stated will be attainable in all cases. OntheNet uses best endeavors to ensure the stated speed is always available.
 - A new contract term applies to all service modifications. Cancellation of the service prior to the contract end date shall incur a cancellation fee equal to the total of the remaining monthly access fees for the contract term.
 - For plan changes (same speed) the change to billing, data allocation and/or contract term will be effective from the 1st of the month following this request.
 - Where a change to the speed of the service is requested, changes to billing, data allocation and/or contract term will be effective from the date the speed change is completed, as advised in writing by OntheNet.
 - Delivery and completion of a speed change is dependent on availability of copper pairs, lead-in and in-building cabling. Any in-building cabling or cabling beyond an MDF that is required to deliver the service is the customer's responsibility and cost.
 - All pricing includes GST.
