Note:

1. A contract term & establishment fee is applicable to each handset. Only OntheNet supplied handsets can be used with the service. Each user/agent will require a handset. Softphones and other handsets cannot be used.
2. Each handset plan includes one rented telephone handset, one PBX extension and one new geographic DID number for an Australian capital city or the Gold Coast.
3. Handsets are supplied on a rental basis and remain the property of OntheNet. All handsets must be returned upon cancellation of the service otherwise replacement charges will apply.
4. Cancellation prior to the contract end date will incur a cancellation fee equal to the total of the remaining monthly fees to complete the contract term/s.

TELEPHONE NUMBERS

| 5. Add Numbers - indicate requirements below. Use the Notes or Special instructions section if necessary. | | | |
|---|--------------------------|--------------------|---|
| Qty | Description | Monthly Fee | Geographic Region (Gold Coast, Brisbane, Sydney, Melbourne etc) |
| | Single geographic number | \$1 per number | |
| | 100 number range | \$40 per range | |
| Qty | Description | Monthly Fee | Destination Telephone Number <i>The answering point for inbound calls.</i> |
| | 1300 number | \$27.50 per number | |
| | 1800 number | \$27.50 per number | |
| 6. Remove Numbers - List the number/s or range/s that are to be removed. Use the Notes or Special instructions section if necessary. | | | |
| Number or Number Range | | Date to be Removed | Reason for Removing |
| | | | |
| | | | |

Note:

1. If the geographic region for a number is not the region the customer is located in the customer will have an Out of Area number. An Out of Area number may not be able to be ported to another service provider in the future. Calls to or from the number will be charged as if the customer is located in the region identified by the number and not the region the customer is actually located in.
2. Inbound calls charges apply to all calls received by a 1300 or 1800 number as per the Business Phone call rates at www.onthenet.com.au/business-phone
3. 1300 and 1800 numbers are virtual numbers that are routed to a single destination number (answering point) therefore you must have another number to route inbound calls to. If the destination number is not a number that is hosted by OntheNet outbound call charges will also apply.
