CUSTOMER SERVICE GUARANTEE WAIVER

11. Customer Service Guarantee (CSG) Waiver

OntheNet is committed to providing our customers with excellent customer service. This waiver does not stop you from contacting OntheNet in regards to a fault with your service or allow us to avoid doing our best to fix a fault with your service as soon as possible.

The Telecommunications (Consumer Protection and Service Standards) Act 1999 [the Act] and the Telecommunications (Customer Service Guarantee) Standard 2011 [CSG] cover the supply of standard telephone services and enhanced call handling features and set out timeframes for connection of services, repair of faults and for appointments.

The CSG standard does not apply to mobile or satellite telephone services, broadband/internet services, customer equipment or customers that have more than five standard telephone services.

When OntheNet supplies a VoIP Service to you we propose that you waive your protection and rights in full. On the basis that OntheNet is not required to meet the standards OntheNet is able to provide the Service for a significantly lower cost than would otherwise be charged for the Service.

You are not obliged to waive your protection and rights however OntheNet may choose not to supply the Service to you if you do not agree to waive your protection and rights in full. By waiving your protection and rights you agree that you are not able to make a claim to OntheNet for compensation where the standards have not been met.

The protection and rights you agree to waive include:

- Damages for breach of performance standards, as per section 116 of the Act.
- Time for payment of damages for breach of performance standards, as per section 117A of the Act.
- Right of Contribution, as per section 118A of the Act.
- Guaranteed maximum connection periods, as per the CSG.
- Guaranteed maximum rectification period, as per the CSG.
- Information to be given to Customers, as per the CSG.
- Making and Changing Appointments, as per the CSG.

This waiver takes effect seven days from the date you order an OntheNet Service, unless you notify OntheNet in writing of your intent not to be bound by this waiver within that timeframe. If you notify OntheNet of your intent not to be bound by this waiver OntheNet reserves the right not to provide you with the Service.

More information regarding the CSG standard can be found at www.acma.gov.au
